

**Consulate General of India, Frankfurt and  
Srita Heide International  
present  
at Frankfurt Biotechnology Innovation Center  
Indo-German Talk: Shared Experience in the Healthcare  
Sector**

Indian healthcare space has tremendous investment and collaboration potential. Since almost 50 years, the collaboration between Germany and India in the life sciences, pharmaceutical and healthcare sectors has grown stronger and has more potential for strategic partnerships. Both the nations have world class organizations seeking expansion to Europe and Asia and expanding their operations.

The Ministry of Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy, abbreviated as AYUSH, is a governmental body in India purposed with developing, education and research in the field of alternative medicine and support the health-care sector. All these medical systems represent different medical philosophies and motivates a way of healthy living

The Consulate General of India brings the Ayush Ministry along with Srita Heide International together for an event at FIZ.
